**Expected Results:**

To provide employees and the public with fair and impartial elections through executive oversight of all SEC related matters. The Sale of List program is used 1) to maintain and provide an accurate list of all registered voters in the State for customers and 2) to provide jury lists, as provided in Section 14-7-130 of the S. C. Code of Laws. Payroll, employee benefits, Human Resources, Accounts Receivable, Accounts Payable and preparation of the agency budget are activities maintained in the Administrative division.

**Outcome Measures:**

The Administrative division provides quality customer service to the public and to SEC employees. Employee services such as HR, payroll, and benefits are provided in the Administrative division. Invoices received are processed within the required 30 day timeframe. Statistics on election expenditures are compiled and used as justification for budget requests. The self-supported sale of list program continues to supply customers with up-to-date and accurate lists of registered voters. Clerks of Court are also provided jury rolls through the Sale of List program.

**202 Public Information - Training**

Proviso 62.8 - Training and Certification Program required by state law which includes a curriculum of core courses on the responsibilities of county voter registration boards members/county election commissioners and electives for quality service/professional development. Rover training. An election rover is a person who is trained by the State Election Commission training staff and county election commission on technical details of the use of the iVotronic voting machines. In case of an issue that may arise with the use of the voting machines, a rover is dispatched to a particular polling place to address the issue. The rover works on election day and assist the county election commission. Poll manager training is conducted by the State Election Commission training staff to include opening and closing the iVotronic voting machines, use of these machines throughout election day, and specific conduct of elections. Public information area handles correspondence with voters, county election commissions/boards, candidates, political parties, media outlets, officials, agencies, attorneys and various others. \$500,000 was appropriated for a voter outreach/education initiative. This is a continuation of a 5 year plan that includes educating a target of voters of the use of the iVotronic voting machines. This target audience are senior citizens, voters with disabilities, and minority and ethnic voters.
